“In The Same Boat”

A fascinating and stylish investigation into globalisation and the future of our economy

“In The Same Boat” is an artistic and sophisticated analysis of the effects of globalisation on the world, which presents an optimistic argument for the future of the planet. Guided by some of the world's leading radical figures, from Zygmunt Bauman to Jose Mujica, “In The Same Boat” travels the world discovering the views of its people on work, happiness, the environment, and the economy. Supported by Rudy Gnutti's stunning cinematography and compositions, this film will transform your understanding of the modern world.
