Prof. Giuliana Costa- Prof. Marta dell'Ovo

Workshop
Hybrid Spaces and their Evaluation

Gemma Garbi (Lama Impresa Sociale)

Wednesday 18 November 2026- 16.15/19.00
At Mosso
Via Mosso, 3- Milan

Credits: https://mosso.org/

The workshop will focus on the impact evaluation framework and co-design process of Hybrid Spaces of Milan's Municipality, freely accessible spaces capable of offering cultural, social, and economic opportunities at a local level. They will be presented by Emma Garbi, a social researcher at LAMA Impresa Sociale. Students and researchers will be invited to define quantitative and qualitative indicators useful to measure the social impact of these kinds of spaces.
